11am SUNDAY 20 JUNE

Come to this year's annual conference of the National Shop Stewards Network, which this year will be online on Zoom. Take part in the discussion with other trade union reps, activists and members and build solidarity for the increasing number of disputes.

This will include how we keep our workplaces safe and how we fight back against the Tory government and bosses' offensive: fire and rehire, the public sector pay freeze and Boris Johnson's attack on our right to protest, strike and picket, as well as stopping the victimisation of union members and reps.

Speakers to be confirmed soon!
